Manufacturer:
Hertsch AG
General Wille-Strasse 19
CH-8002 Zürich

Production site(s):
Hertsch AG
Alte Landstrasse 34
CH-8546 Islikon

Swiss Safety Center Ltd grants the company accreditation for the purpose of transferring material identification markings on semi-finished products or components.

This accreditation confirms that the requirements of the following technical rules and standards have been met in relation to the traceability/marking of materials:

AD 2000 – Merblatt HP0 / SVTI 201 / EN 13445-4 / EN 13480-4 / EN 12952-5

In addition, the company fulfils the requirements of the Pressure Equipment Directive 2014/68/EU, Annex I, section 3.1.5.

Details of the personnel authorised to transfer markings and their personal identifiers can be found in the report accompanying the certificate, along with the specific requirements of the aforementioned rules and standards.

Report number: **P-COS.PQ. 5400193**

Validity: **28.08.2025 - 20.09.2028**

Wallisellen, 29.08.2025

Swiss Safety Center Ltd is a conformity assessment body (notified body) for the Pressure Equipment Directive 2014/68/EU.
